Text :

Sue organized a surprise birthday for her mother. She, her siblings and their father prepared the invitations and ordered a cake. Sue's brother made the arrangements for the snacks and her sister decorated the backyard with balloons.

In the evening, all the guest arrived at their house. Sue's mother was on her way home. As the mother reached home, Sue opened the door and greeted her mom. Once they reached the backgard, everyone started singing the birthday song. The mother was surprised; she hugged Sue and thanked everyone for making her day so special. My mother blew the candles and get a lot of presents. It was a great party!

1) Tick the right answer :

- Sue prepared the party with her friends.

Writing:

To my friend Ben

Subject: letter of birthday party,

Hello, how are you, I celebrated my birthday last Saturday. I invited my neighbours and my friends. My sister decorated the garden with balloons and designs. At night, the guest arrived. They wishes me my birthday. Then I blew the candles and cut the cake. I received a lot of presents. It was a great day. I hoped if you are with me.
